

Save A Dog

6th Annual Benefit Auction

About Save A Dog

Save A Dog, Inc. is a non-profit dog rescue group, started in 1999 in response to the urgent situation with dogs all over this country being euthanized needlessly. Every year 4 – 6 million dogs are put to sleep because there is simply no place for them to go. There are so many more dogs being born than there are people to adopt them and many of the people who adopt puppies won't or can't commit to them for life, so it makes for an awful situation. Dogs are companion animals destined to be with people, not living outside in the elements or in city-run shelters, so our goal is to try to help as many as we can with as many volunteers and supporters as we can inspire to help. We provide our rescued dogs with loving care, medical treatment, and a place to stay while we are searching for a loving permanent home. The dogs are evaluated for temperament, brought up-to-date on vaccinations and adults are spayed or neutered prior to adoption. All prospective adopters are evaluated with the goal of ensuring that the dogs have appropriate homes and do not end up on death row again.

Save A Dog organizes an extensive network of foster “parents” and volunteers to care for the rescued dogs prior to their adoption. Living in a foster home allows the dogs to assimilate themselves into a home environment and protects them from the stress and health risks of residing in a shelter on a long-term basis. It also facilitates the emergence of a dog's true personality so that the best match with an adopter can be made.

To pay our day-to-day operating costs, we depend entirely upon private donations and fundraisers held throughout the year. *Every single dollar we raise makes a difference in the life of a dog.*

A Guide to the Auction

We are offering our guests both a silent and a live auction today. Feel free to walk around and view all the items displayed. We are also offering complimentary hot and cold hors d'oeuvres. Dinner will be served after the silent auction closes. Desserts and coffee will be served after the Live Auction

Take your time to review all the auction items, make your silent auction bids, and visit our merchandise table. And, of course, have a great time meeting members of the Save A Dog family.

Silent Auction

The silent auction tables will be located in the Banquet/Silent Auction room off the lobby and Main Dining Room and a portion will extend into the Main Dining Room. Be sure to visit these tables upon your arrival and place your bids.

The rules are simple: When you see an item you like, enter your bid and bidder number (the number on your paddle) on the bid sheet (all bids must be in whole dollar increments). Return to check on the item often and adjust your bid if necessary to make sure yours is the highest.

Silent Auction tables will be closed for bidding in the following order:

Lot 1 Closes at: 7:15 pm

Lot 2 Closes at: 7:25 pm

An announcement will be made prior to the closing of each lot so that you can check your bids one last time. After the closing, check the winners sheets to see if yours was the winning bid.

Live Auction

The slideshow presentation will begin the live auction. Things will really start to get exciting as these unique and very special items are introduced. Be sure to look them over ahead of time, and bid high and often. Remember that you are helping needy adoptable dogs every time you raise your paddle!

Paying For Your Auction Purchases

Running tabs for each bidder will be maintained throughout the auction for both silent and live auction items. You may go to the checkout table(s) in the lobby to receive your itemized bill. Then follow the line around the table to the cashier where cash, checks, or credit card will be taken for payment. All merchandise must be taken with you when you leave. The checkout tables will be closing by 10:30, so please checkout and pay before then.

Mystery Balloon Raffle

Step right up and take a chance!

\$25 gets you the balloon of your choice. You pop your balloon and inside will be a number! This number indicates the prize number you have won! You'll pick up your prize at the check table when you check out at the end of the day. Congratulations! All prizes are worth a minimum of \$25, and some prizes are valued at over \$50 and up to \$150!

Baseball Autographed by Red Sox Player Jonathan Papelbon

1

Jonathan Papelbon is a Red Sox closer (relief pitcher who specializes in closing a game, ie. getting the final outs in a close game). He throws a fastball in the mid to high 90s with exceptional command. He complements his fastball with a splitter and also throws an occasional slider or changeup with far less frequency.

On August 21, 2007, Papelbon had his 30th save of the season making him the first Boston pitcher to ever have two 30-save seasons.

A great gift for any Red Sox Lover!

And all the volunteers who have solicited donations, lent a hand when called upon & are working today at this event!

AND MOST OF ALL, To our Executive Director, Shirley Moore, who works endlessly and tirelessly day in and day out to keep Save A Dog running smoothly, inspiring us to do more, and who does everything from soup to nuts because it has to get done and because it means so much to each and every dog we can help!

Thank you for participating in
our annual benefit auction.

Your bids will help us to
continue the important work
at our new adoption facility!

Thank you to Mr. Ken Vona and Ken Vona Construction for turning our dream into a reality, by renovating an old barn into a shiny new adoption facility! Going into our 10th year of dog rescue work, we finally have a place in which to show our adoptable dogs. Thanks also to all the volunteers and supporters who work tirelessly and give generously to save the lives of dogs in need!
